"California Vibe Watercolor Portraiture"

ALL SKILL LEVELS WELCOME

Like California's San Andreas fault line, David Lobenberg likes to shake things up.

He applies watercolor paint to paper with splatters, swabs, slaps, splats, and slashes. It is added, subtracted, and added again. He floods, blossoms, and textures. His style is about gesture, no-holds-barred expressive color, odd shapes in odd places, soft transparency and hard opacity. This Golden State artist calls it "California-Vibe Portraiture".

Make checks payable to NBAL. Be sure to indicate on your check, the workshop you will be taking along with a phone number and email address.
